Well if you can't rock me
I'll find somebody who can
And if you can't rock me
Don't be tellin' me I'm your man
I'm gonna turn that skillet up to high
Don't you tell that chick's too young to fry
If you can't rock me
Well find somebody who can
I'll find somebody who can

Well if you can't rock me
Don't be knockin' on my door
Well if you can't rock me
Don't you come around here no more
I'm gonna turn that juke joint upside down
Dance six inches off the ground
If you can't rock me
Well I'll find someone who can

Don't be whisperin' in my ear
Tellin' me things that I wanna hear
Dontcha be tellin' I'm your guy
Then you go and leave me high and dry

If you can't rock me
I'm gonna rock this town myself
Well if you can't rock me
I'm gonna tear it up with somebody else
I may have to search all across the land
Just to find me a gig in a Rock n' Roll band
If you can't rock me
Well I'll find somebody who can
Well I'll find somebody who can

Don't be whisperin' in my ear
Tellin' me things that I wanna hear
Dontcha be tellin' I'm your guy
Then you go and leave me high and dry

If you can't rock me
I'm gonna rock this town myself
Well if you can't rock me

I'm gonna tear it up with somebody else
I may have to search all across the land
To find me a gig in a Rock n' Roll band
If you can't rock me
Well I'll find somebody who can
I'll find somebody who can
I'll find somebody who can
