Well, I've been up all night just singin'  
This same old song, song, song  
And I can't get it through my head  
That maybe she's gone, gone, gone

I'm pushin' all the buttons  
But one thing is for sure  
That jukebox just won't  
Play my song no more

Well, I've been lovin' that little gal  
Now for so long, long, long  
But that jukebox never said  
She'd do me wrong, wrong, wrong

Well, I dropped in all my money  
Now it just don't seem right  
That jukebox just won't play  
My song tonight

Oh, jukebox bring my baby  
Back to me  
Ain't had no real good lovin'  
And I'm drownin' in misery

Whenever records keep on playin'  
But my poor heart won't stop sayin'  
Jukebox bring my baby  
Back to me

And just look at all those  
Pretty lights a shine, shine, shine  
Jukebox don't you know  
That girl is mine, mine, mine

Well, I polished all your chrome  
And I dusted off your glass  
Oh, jukebox bring my baby  
Home at last

Oh, jukebox bring my baby  
Back to me

Ain't had no real good lovin'  
And I'm drownin' in misery

Whenever records keep on playin'  
But my poor heart won't stop sayin'  
Jukebox bring my baby  
Back to me

Well, just look at all those  
Pretty lights a shine, shine, shine  
Jukebox don't you know  
That girl is mine, mine, mine

Well, I polished all your chrome  
And I dusted off your glass  
Jukebox bring my baby  
Home at last

Oh, jukebox bring my baby  
Back to me  
Ain't had no real good lovin'  
And I'm drownin' in misery

Whenever records keep on playin'  
But my poor heart won't stop sayin'  
Jukebox bring my baby back  
Jukebox bring my baby back  
Jukebox bring my baby  
Back to me
