Well, my baby and me we went out late saturday night
I had my hair piled high and my baby
Just looked so right man she looked so right
Well, pick you up at ten, gotta have you home at two
Mama don't know what I got in store for you
But that's all right ?cause we're looking as cool as can
be

Well, we found New York city really don't look half bad
I had a whisky on the rocks
And changed half a dollar for the jukebox
Well, I put a quarter right into that can
But all they played was 'Music Hall Man'
Come on, pretty baby, get out of here right away

We're gonna rock this town rock it inside out
We're gonna rock this town make em' scream and
shout
We're gonna rock, rock, rock, man, rock
Rock till we pop we're gonna rock till we drop
Rock this town gonna rip this place apart

Well, we're havin' a ball just a boppin' on the big dance
floor
Well, there's a real square cat, he looks a 1974
Well, he looked at me once, he looked at me twice
Look at me again and there's gonna be fight

Rock this town
Gonna rip this place apart
Rock this town rock it inside out
Baby, baby, baby, baby, baby, baby

Rock this town make ?em scream and shout
Rock, rock, rock, rock, rock, man, rock
Rock till we pop we're gonna rock till we drop
Rock this town rock this place apart

Yeah, we're gonna rock this town, baby
(Rock this town)
Rock this town
(Rock this town)

Rock this town
(Rock this town)

We're gonna rock this town
(Rock this town)
Rock this town
(Rock this town)
(Rock this town)

We're gonna rock this town, man
(Rock this town)
We're gonna rock this town
(Rock this town)
Rock this town
(Rock this town)

Rock this town
(Rock this town)
Rock this town
(Rock this town)
(Rock this town)

Come on New York
(Rock this town)
Little louder
(Rock this town)
I can't hear you
(Rock this town)

What's up with you?
(Rock this town)
What's happen to your voice?
(Rock this town)
Do it one time with me
(Rock this town)

Hey, I wanna rock this town, rock it inside out
Hey, hey, hey, rock this town
Baby scream and shout
Rock, rock, rock, man, rock

Rock till we pop we're gonna rock till we drop
Rock this town rock this place apart
Rock this town, rock it inside out
Rock this town, rock it inside out
