I got a lucky rabbit's foot,  
I got a loaded pair of dice,  
I hang the horseshoe over my bed,  
Because my luck's been cold as ice.

I love to watch that roulette wheel,  
Spinnin' round and round,  
I place a bet at five to one,  
When my baby comes to town,

I'm gonna love you baby with all of my might,  
I'm gonna make you feel alright,  
You're gonna love me baby like you said you would,  
Honey, just like a young girl should.

Baby take a chance on love, on love,  
Baby take a chance on love,  
You're the only I'm dreamin' of,  
Baby take a chance, Baby's in a trance,  
Baby take a chance on love.

My lucky thirteen black cat bones,  
And a lady luck tattoo,  
I got a hoodoo voodoo doll,  
And a photograph of you.

I'm gonna cast my magic spell,  
A magic spell of love,  
And then I'll put you in my trance,  
My magic trance of love.

I'm gonna love you baby with all of my might,  
I'm gonna make you feel alright,  
You're gonna love me baby like you said you would,  
Honey, just like a young girl should.

Baby take a chance on love, on love,  
Baby take a chance on love,  
You're the only I'm dreamin' of,  
Baby take a chance, Baby's in a trance,  
Baby take a chance on love.

I'm gonna take this step by step,  
I'm gonna take this seriously,  
I'm gonna take things one at a time,  
Because I love you obviously.

But if you just want to break my heart,  
Don't be wasting my time,  
'Cause with you from the very start,  
Our love was a felony crime.

I'm gonna love you baby with all of my might,  
I'm gonna make you feel alright,  
You're gonna love me baby like you said you would,  
Honey, just like a young girl should.

Baby take a chance on love, on love,  
Baby take a chance on love,  
You're the only I'm dreamin' of,  
Baby take a chance, Baby's in a trance,  
Baby take a chance on love.
