Just look at that chick in the silvery dress  
She's got a cool tattoo and her hair is a mess  
And every single guy in the joint  
Is just watching her dance

Well now dance ballerina, shimmy on down  
It's your turn to swing  
It's your night on the town  
A little gin goes a long way so please pass it around

She's the footloose doll  
Dancin' like a hurricane  
She's the footloose doll  
Well, I don't even know her name

She's the footloose doll  
She's the footloose doll

Now standin' at the bar was long cool Eddie  
He had a few and he's not really steady  
But he had his peepers  
Fixated on the footloose doll

But she called out, "Hey Eddie", he was there in an  
instant  
She said, "You know you kinda look like Gene Vincent"  
That was all he needed to hear  
And that was all she wrote

But she's the footloose doll  
Dancin' like a hurricane  
She's the footloose doll  
Well, I don't even know her name

She's the footloose doll  
She's the footloose doll

Now if you're ever in town and wanna try your luck  
The footloose doll can really shake you up  
But never underestimate  
The power of the feline cat

Well, they found poor Eddie by the side of the road  
His clothes were all torn up  
And his car had been towed  
He never had a chance with a chick like the footloose  
doll

She's the footloose doll  
Dancin' like a hurricane  
She's the footloose doll  
I don't even know her name

She's the footloose doll  
Dancin' like a hurricane  
She's the footloose doll  
Well, I don't even know her name

She's the footloose doll  
She's the footloose doll  
Well, she's the footloose doll  
She's the footloose doll
