Well whatcha gonna do  
When the bells don't chime  
There's nothin' you can do  
To make em ring

Whatcha gonna do  
When you ain't mine  
You'll find out  
That you had everything

When the bell's don't chime  
When they don't even ring  
Your heart feels broken  
You can't even sing

Whatcha gonna do  
When the bells don't chime  
You're gonna wish  
You still had me

Well whatcha gonna do  
When the bells don't chime  
You'll slip into a night  
That never ends

Whatcha gonna do  
When you ain't mine  
You'll really miss  
Your old drinkin' friend

Whatcha gonna do  
When the sun goes down  
Will you act any different  
If I come around

Whatcha gonna do  
When the bells don't chime  
You're gonna wish  
You still had me

Whatcha gonna do

When the bells don't chime  
There's nothin' you can do  
To make em ring

Whatcha gonna do  
When you ain't mine  
You'll find out  
That you had everything

When the bell's don't chime  
When they don't even ring  
Your money and your car, man  
They don't mean a thing

Whatcha gonna do  
When the bells don't chime  
You're gonna wish you still had me  
You're gonna need a little sympathy  
Well, you're gonna wish you still had me
