It's all right if you love me
It's all right if you don't
'Cause, I'm not afraid of you running away honey
I get the feeling you won't

There's no sense in pretending
Your eyes give you away
Something inside you, is feeling like I do
We've said all there is the say

Breakdown, honey go ahead and give it to me
Breakdown, honey take me tonight
Breakdown, I'm standin' here can't you see?
Breakdown, it's all right, it's all right, it's all right

It's all right if you love me
And it's all right if you don't
'Cause, I'm not afraid of you running away honey
I get the feeling you won't

It's okay, if you must go
'Cause, I'll understand if you don't
You say goodbye right now, I'll still survive somehow
Why should we let this drag on?

Breakdown, honey go ahead and give it to me
Breakdown, honey take me to the night
Breakdown, I'm standin' here can't you see
Breakdown, it's all right, it's all right, it's all right, baby

Breakdown, honey go ahead and give it to me
Breakdown, honey take me to the night
Breakdown, I'm standin' here can't you see
Breakdown, it's all right, it's all right

Breakdown, honey go ahead and give it to me
Breakdown, honey take me to the night
Breakdown, I'm standin' here can't you see
Breakdown, it's all right, it's all right

Breakdown, ohh baby
Breakdown, ohh baby

Ohh baby, breakdown
Breakdown
Breakdown
Breakdown
