You want to shoot me down?

'Cause I, I've got a bulletproof heart  
I've got a bulletproof heart

Shotgun, hit and run  
You've had your fun the you left me stung  
You took my heart for target practice  
And now I know that love shares no justice

So I, I've got a bulletproof heart  
I've got a bulletproof heart

Here is something you ought to know  
You better pack up and you better go now  
Don't mess with me, no playing around  
I'm going to stomp you straight in the ground

'Cause I, I've got a bulletproof heart  
(She's got a bulletproof, a bulletproof)  
I've got a bulletproof heart  
(She's got a bulletproof, a bulletproof)

Oh, I, I've got a bulletproof heart  
(Heart, heart, heart, heart)  
Oh, I, I've got a bulletproof heart  
(Heart, heart, heart, heart)

Finger on the trigger, you're ready to shoot  
I'm kicking you out, not sharing my loot  
I'm locking all my closets, I'm closing my legs  
No use for you to even stand there and beg

'Cause I, I've got a bulletproof heart  
(She's got a bulletproof, a bulletproof)  
I've got a bulletproof heart  
(She's got a bulletproof, a bulletproof)

I've, got, got  
I've got a bulletproof heart, baby  
I've, got, got  
Oh, I've got a bulletproof heart, baby

'Cause I, I've got a bulletproof heart  
(She's got a bulletproof, got a bulletproof)  
I've got a bulletproof heart  
(I've got a bulletproof heart)

I've got a bulletproof heart  
(Heart, heart, heart, heart)  
Oh, I, I've got a bulletproof heart  
(I've got a bulletproof heart)

Yeah, I, I've got a bulletproof heart  
I've got, I've got a bulletproof heart

A bulletproof heart  
A bulletproof heart  
A bulletproof heart

A bulletproof heart  
A bulletproof heart  
A bulletproof heart
