I'm, I'm, I'm, I'm
I'm, I'm, I'm, I'm

Had we met at a different time we'd be perfect for
each other
Now were spending all our time, in this world come
together
My heart is aching, from all the love your giving
Were not faking, is this the life were living?

I'm not perfect but I'm perfect for you
Now I'm right on time
I'm not perfect but I'm perfect for you
I feel right on time

More and more we are together, tryin' to discover
I see a flicker in your eye, are you lookin' for somethin'
better?
You once told me lying on the ground
But keep goin' up and down, yo

I'm not perfect but I'm perfect for you
Now I'm right on time
I'm not perfect but I'm perfect for you
I feel right on time

I'm not perfect but I'm perfect for you
Now I'm right on time
I'm not perfect but I'm perfect for you
I feel right on time

Why waste it thinkin' about it? Taste it
Don't waste it thinkin' about it taste it
It really doesn't matter wherever I may go
We're tied together, that's one thing we both know, yo

I'm not perfect but I'm perfect for you
Now I'm right on time
I'm not perfect but I'm perfect for you
I feel right on time

I'm not perfect but I'm perfect for you

Now I'm right on time
I'm not perfect but I'm perfect for you
I feel right on time

Right on time, I feel on time tonight
I right on time, I feel right on time
Right on time, I feel on time tonight
I right on time, I feel right on time

Right on time, I feel on time tonight
I right on time, now I'm right on time
