I've been pulled to pieces and I've got an arm over here
I've got a leg over there, I've got my ass somewhere
upside down
But I'm back, I'm here to tell you, I'm back, better than
before
Can't keep a good thing down

I've been kicked around, never thought that I could fall
Thought that I was standing tall, turned out I was the
ball
And you know what and I, and I, and I've been kicked
around
Baby, after all I took all the shots you called
Turned out I was the ball, you kicked, you pushed

And I've been kicked around and I've been upside
down
Oh, I've been bounced around, kicked around
I'm gonna get you, get you, your very momma will
regret you
I'm going to stomp and drag you to your knees
Your very papa will forget you, kicked around

Oh I, oh I, oh I've been bounced around
Let me tell you, I'm here to tell you
You can get up, you can put all the pieces back
together

Yeah, don't let him stomp on you baby, get up now
I said, "You made me feel so small, bouncing me
against the wall"
Just like I was the ball, yeah, yeah, yeah, yeah, yeah

Oh I, oh I, oh I, oh I've been kicked around
Now, look at me, baby, trips alone, paved the
memories you gave me
My eyes are open, eyes are open, now I can see
You're nothing but a bad, bad memory
I'm all together now, all together now

I'm the biggest ball you ever did see, I'm gonna roll on
you

I'm gonna fall on you, I'm gonna stomp on you
I'm gonna punch on you, I'm gonna choke on you
I'm gonna rip you, drag you to your knees
Your very papa will regret you

No need to come begging to me, my heart is deaf to
your plea
The hurt you have planted has grown much in me
I'm gonna lie to you, get away from me

Oh I, oh I, oh I, Oh I've been kicked around
And I've been upside down, and kicked around

Yeah, here I am, I'm back, I'm all together
Can't keep a good woman down, I'm big and tall
Listen to me, just listen to me, just look at me
I'm back, here I am, hear me coming
