Party girl
Party girl

Havin' fun with it no ones hurtin' you
She loves to do, what he hates to do
Lovin' it, havin' fun with it

Party girl, energy is like the sun
Party girl, lies on everyone

And it's wonderful, what she's done
While he's wonderin' where she's been
She's in and out, more out than in
While he's wonderin', where she's been

Just partyin', havin' fun
Havin' a good time
Party girl, energy is like the sun
Party girl, lies on everyone

Havin' a good time
Party girl, energy is like the sun

And it's wonderful, what she's done
While he's wonderin' where she's been
She's in and out, more out than in
While he's wonderin', where she's been

Just partyin', lies on everyone
She's havin' a good time
Party girl, energy is like the sun

Party girl, out there havin' fun

Out havin' a good time

Party girl, lies on everyone

Party girl, party girl, in her party world
