Driving down those city streets  
Waiting to get down  
Won't you take your big machine  
Somewhere in this town?

Now in the parking lot garage  
I found a proper place  
Just follow all the written rules  
You'll fit into the space

Pull up to my bumper, baby  
In your long black limousine  
Pull up to my bumper, baby  
And drive it in between

Pull up to it, don't drive through it  
Back it up twice, now that fit's nice

Operate around the clock  
Slow it if you come in?  
I've got lot's of space for everyone  
One for you my friend?

My lines are short, I'll fix you up  
So won't you please come on  
Shiny sleek machine, you wheeled  
I've got to blow your horn

Pull up to my bumper, baby  
In your long black limousine  
Just pull up to my bumper, baby  
And drive it in between

Pull up to it and don't drive through it  
Back it up twice, now that fits nice  
Race it, straighten it, let me lubricate it

Pull up to my bumper  
Pull up to my bumper  
Pull up to my bumper  
Pull up to my bumper

Pull up to my bumper, baby  
Pull up to my bumper, baby  
Pull up to my bumper  
Pull up to my bumper  
Pull up to, pull up to my bumper
