Love is a burning thing
It makes a firey ring
Bound by wild desire
I fell in a ring of fire

I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burned, burned, burned
A ring of fire, a ring of fire

The taste of love is sweet
And hearts like ours meet
I fell for you just like a child
Oh, but the fire went wild

I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burned, burned, burned
A ring of fire, a ring of fire

I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burned, burned, burned
A ring of fire, a ring of fire

The taste of love is sweet
And hearts like ours meet
I fell for you just like a child
And oh but the fire went wild

I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burned, burned, burned
A ring of fire, a ring of fire, a ring of fire

And it burned, burned, burned
A ring of fire, a ring of fire, a ring of fire
A ring of fire, a ring of fire, a ring of fire

And it burned, burned, burned
A ring of fire
