My friends feel that, is there a point of duty?
And he keeps trying to tell me
All you wanna do is use me
But my answer to all that use me stuff, oh baby

Now I'm gonna to spread the news
That if it feels this good getting used
Keep on using me 'til you've used me up
Use me, use me

Mother sat down
And you know she told me
If he can overcome you, all he's gonna do is use you
But my answer to all that use me stuff, oh baby

Now I'm going to spread the news
That if it feels this good getting used
Well keep on using me 'til you've used me up
Use me, use me

Now I'm going to spread the news
That if it feels this good getting used
Come on and keep on using me 'til you've used me up
'Til you've used me up, use me

Sometimes it's true, you really do abuse me
I lost the only people
Who really ever didn't use me
But oh baby, when you love me I can't get enough, oh
baby

Now I'm going to spread the news
That if it feels this good getting used
Well, keep on using me 'til you've used me up
'Til you've used me up, 'til you've used me up
'Til you've used me up, 'til you've used me

Now I'm going to spread the news
That if it feels this good getting used
Come on and keep on using me 'til you've used me up
'Til you've used me up, 'til you've used me up

Until you've used me up, come on and use me up
Come on and use me up, come on and use me up
Use me, use me, use me, use me, use me, use me
Come on and use me

Use me
Use me
Use me
