Kiss today goodbye
The sweetness and the sorrow
Wish me luck, the same to you
But I can't regret, what I did for love
What I did for love

Look, my eyes are dry
The gift was ours to borrow
It's as if we always knew
But I won't forget, what I did for love
What I did for love

Gone, love is never gone
As we travel on
Love's what we remember

Kiss today goodbye
And point me t'ward tomorrow
We did, what we had to do
Won't forget, can't regret, what I did for love
What I did for love, what I did for love

Love is never gone
As we travel on
That's what we remember

Kiss today goodbye
And point me t'ward tomorrow
Wish me luck, the same to you
But I won't forget, what I did for love
What I did for love

Gone, love is never gone
As we travel on
That's what we remember

Kiss today goodbye
And point me t'ward tomorrow
We did, what we had to do
Won't forget, can't regret, what I did for love
What I did for love, what I did for love
What I did for love

What I did for love, what I did for love
What I did for love, what I did for love
What I did for love, what I did for love
What I did for love, what I did for love
What I did for love
