You can't save me  
You can't save a wretch like me

When she was seventeen  
She married a preacher man  
And she settled down  
In a little part of town

Followed him all around  
Having little babies  
Singing in a little church  
In a little ghost town

She's so happy  
(I don't want to keep up, I can't keep up)  
She's so happy, keeping up  
(I don't wanna keep up, keeping up with the Jones)

Finally she told me  
Grandpa Dan traveled  
Playing on the road  
With Nat King Cole

And he womanized  
Staying up all night  
Cruisin' up around the town  
From town to town, to town

Let me go, ahh, hurricane  
Just let me go, ahh, I'm going to care

Why don't you be a Jones  
Like your sister and your brother Noel?  
When are you gonna be a Jones  
Just like Utah and dad, God bless his soul

I've got the William's blood in me  
I've got the William's blood in me  
I've got the William's blood in me  
I've got the William's blood in me

In me, in me, in me

Running though my veins  
William's blood in me

In a room full of doves  
I'm waiting for the angels  
Spreading my wings  
So I can fly

Let me fly, hurricane  
(You can't save a wretch like me)  
Let me fly, ahh, hurricane  
Just let me go, ooh, hurricane  
William's hurricane

Why don't you be a Jones  
Like your sister and your brother Noel?  
I say when are you gonna be a Jones  
Just like Utah and dad, God bless his soul, oh

I've got the William's blood in me  
I've got the William's blood in me  
I've got the William's blood in me  
(I'll never change)  
I've got the William's blood in me

Ooh, let me go  
I've got the William's blood in me  
I'll never change  
Let me go, oh, I'll never change

Let me go, never change, never change  
Let me go, oh, oh, so [Incomprehensible]  
Let me go  
(I don't wanna keep up, I can't keep up)  
William's hurricane

Let me go  
(I don't wanna keep up, I can't keep up)  
I've got the William's blood in me  
Let me go  
(I don't wanna keep up, I can't keep up)

Let me go  
(I don't wanna keep up, I can't keep up)  
I've got the William's blood in me  
Let me go  
(I don't wanna keep up, I can't keep up)

Let me go  
(I don't wanna keep up, I can't keep up)  
I've got the William's blood in me

Amazing Grace  
How sweet the sound  
That saved a wretch like me
