he's skilled at the art of deception and she knows it
She's got dirty money that she plays with all the time
She waters the garden but maybe she just likes the
hoses
She puts herself just a notch above human kind

Ah Mary
She'll bake you cookies then she'll burn your town
Ah Mary
Ashes Ashes but she won't fall down

She's the beat of my heart
She's the shot of a gun
She'll be the end of me and maybe everyone

Yeah
She's the beat of my heart
She's the shot fo a gun
She'll be the end of me and maybe everyone

Call her a bully she'll blow up your whole damn
playground
Pour her a drink and watch it go straight to her head
She'll take you so high she'll cover her eyes as you fall
down
Then in the morning, don't be surprised if you're dead

Ah Mary
She'll bake you cookies then she'll burn your town
Ah Mary
Ashes Ashes but she won't fall down

She's the beat of my heart
She's the shot of a gun
She'll be the end of me and maybe everyone

She's the beat of my heart
She's the shot of a gun
She'll be the end of me and maybe everyone, ohh Mary

(*song rift*)

Yeah
She's the beat of my heart
She's the shot of a gun
She'll be the end of me and maybe everyone
