

Grace Potter & The Nocturnals "All But One"

I've forgotten the reasons for loving you
I've forgotten the love that you gave

All the days on the run
Sitting shotgun
All the things that I loved
All but one

I know better then to tell you I miss you
I know how hard it was just to go

But I've forgotten the fun
It set with the sun
All things that I loved
All but one
There's just one thing I'll hold to forever
There's just one little glint in your eye
And it will hunt me inside like the devil
No matter how hard I try

I've forgotten the reason for loving you
I've forgotten the love that you gave

All the days on the run
Sitting shotgun
All the things that I loved
All but one
