## Verse 1

I lost a piece of my mind  
and you can see it on my face  
my heart is burning this time  
but there aint no fire escape

## Pre chorus

that little part of me that used to be so strong,  
is stumbling over now that I know youre moving on  
baby

## Chorus

You were never gonna wait for me  
babe I really hate to say it,  
but Im gonna say it anyway

You, you know youre not the only one  
Id rather just cut and run  
than set the blind on yesterday  
so lets just call this what it is  
and give me one more goodbye kiss

## Verse 2

I thought that you were the only one  
who could keep my feet on the ground  
I came to an empty room  
and I know youre leaving town

## Pre Chorus

that little part of me, thats gone for good  
that was the only thing making me do the things I  
should

## Chorus

and you were never gonna wait for me  
babe I really hate to say it,  
but Im gonna say it anyway

You, you know youre not the only one  
Id rather just cut and run  
than set the blind on yesterday  
so lets just call this what it is  
and give me one more goodbye kiss

Bridge

Ooh you really, really made it hard on me  
you really, really were a mystery  
you really, really took it out on me baby  
but now Ive solved it and Im sad to say I see

Chorus

that you were never gonna wait for me  
babe I really hate to say it,  
but Im gonna say it anyway

You, you know youre not the only one  
Id rather just cut and run  
than set the blind on yesterday  
so lets just call this what it is  
and give me one more goodbye kiss
