I'm a girl with the best intentions  
Something I should probably mention  
I like to get just what I paid for  
So I pay and I get and I pay and I want some more,  
more, more

And I want something that I want  
Something that I tell myself I need  
Something that I want  
I need everything I see

I'm a girl who's got a notion  
I'm a gonna show you my magic potion  
I could shop till I drop right to the floor  
And I get right up and I want some more, more, more

And I want something that I want  
Something that I tell myself I need  
Something that I want  
I need everything I see, everything I see  
Oh, oh, oh, ohh

And I want something that I want  
Something that I tell myself I need  
Something that I want  
I need everything I see

Something that I want  
Something that I tell myself I need  
Something that I want  
And I need everything I see
