You running 'round in circles
But you won't find no better than this.
And after all your searching,
You come back to the place that you miss.
But I'm closing up for the season.
I see you out there, you're freezing.
But I'm never letting you back in again.
Oh no, oh no,
I'll never go back there no more.
Oh no, oh no
I'll never go back there no more.
Looking at my heartbeat
Like I've never seen it before.
To a life to ever see, [?]
And this street is keeping me warm.
I'm pushing up on the ceiling.
I'm beating back all my demons.
And I'm never letting you back in again.
Oh no, oh no,
I'll never go back there no more.
Oh no, oh no
I'll never go back there no more.
I can't take no more of this
Scratches on my soul.
I cant, and ill never let you near my heart again.
Oh no, oh no,
I'll never go back there no more.
Oh no, oh no
I'll never go back there no more.
Oh no, oh no,
I'll never go back there no more.
Oh no, oh no
I'll never never never never go back no more.
