I have tried to find my way  
To make it through to a better day  
I have cried a mighty song  
But in the morning everything was gone

So come on water, sweet water, wash me down  
So come on water, sweet water, wash me down

I have tried so many times  
To put out the devil's fire  
But every time I sit down to pray  
The devil's charm pulls me away

So come on water, sweet water, wash me down  
Come on water, sweet water, wash me down

Up in heaven, they know the rule  
Youâ€™ve got to get down to the bathing pool  
Everybody, youâ€™ve got to get in line  
Down at the river, weâ€™re doing fine

With the water, sweet water, wash me down  
Come on water, sweet water, wash me down

Now Iâ€™m ready, itâ€™s my time  
If I give a nickel, I might get a dime  
Only the water can help me now  
Iâ€™ll find glory somewhere, somehow

With the water, sweet water, wash me down  
Come on water, sweet water, wash me down

Tried my hand at the Bible  
Tried my hand at prayer  
But now nothing but the water  
Is gonna bring my soul to bare

I tried my hand at the Bible  
Tried my hand at prayer  
But now nothing but the water  
Is gonna bring my soul to bare

I tried my hand at the Bible  
Tried my hand at prayer  
But now nothing but the water  
Is gonna bring my soul to bare

I tried my hand at the Bible  
Tried my hand at prayer
