ROULETTE

I got a new bad habit and it's so hard to break
Why can't I put it down, instead I raise the stakes
Heaven hear my call, here's my soul to take
Because I'm in over my head and I can't get
away.

(Chorus)

I'm playing roulette but the wheel don't love me
at all

I'm playing roulette and my heart is a tumbling ball
And the wheel turns me over again; I'm a helpless
soul with a hopeless hand

And my heart's going deeper in debt, that's
what I get

When I'm playing roulette.

What happens in this town don't stay here for too
long

I take my winnings home, but in the morning he's
always gone.

Should I run away, I wish I could change

There's a lion in my heart and I know he can't
be tamed

(Chorus)

I feel like I'm always running, I'm just as lost as
my mind is

Maybe one more spin will save me; if I lost you know
where to find me

(Chorus)

I'm playing roulette, I'm playing roulette,
I'm playing roulette.
