Treat me right and don't you let me down
You brush me off and you run around
I have tried to get through to you
But love and leave is all you do

Treat me right, don't do me wrong
Play for keeps don't just play along
You say you love me but you don't say it right
I'm at the end of a tunnel but there ain't no light

Oh, but like so many done before
You always leave me wanting more
And as you walk right out that door
My heart falls to the floor and I say

C'mon, c'mon, c'mon, you've got to treat me right
All the time, squeeze me like a key lime
C'mon, c'mon, c'mon, you've got to quit the fight
And fall into the night

Treat me right every single day
Stick around and don't you run away
I will give you all the love I got
If you'd just entertain the thought

Oh, but like so many done before
You always leave me wanting more
And as you walk right out that door
My heart falls to the floor and I say

C'mon, c'mon, c'mon, you've got to treat me right
All the time, squeeze me like a key lime
C'mon, c'mon, c'mon, you've got to quit the fight
And fall into the night

Please love, don't you do me like you've done before
Please love, can we stop this keeping score
Please love, let me in don't lock this door
Give me all the love that I know you can afford

C'mon, c'mon, c'mon, you've got to treat me right
All the time, squeeze me like a key lime

C'mon, c'mon, c'mon, you've got to quit the fight
And fall into the night

C'mon, c'mon, c'mon, you've got to treat me right
All the time, squeeze me like a key lime
C'mon, c'mon, c'mon, you've got to quit the fight
And fall into the night

C'mon, c'mon, c'mon
C'mon, c'mon, c'mon, c'mon
C'mon, c'mon, c'mon
C'mon, c'mon, c'mon

C'mon, c'mon, c'mon
C'mon, c'mon, c'mon
C'mon, c'mon, c'mon
C'mon, c'mon, c'mon
C'mon, c'mon, c'mon
