You may see me when I'm on the run  
On the run, when I'm on the run  
You may see me when I'm all undone  
All undone, when I'm all undone

You may see me smoking a cigarette  
A cigarette, a cigarette  
You may see me and try to forget  
Won't forget, but you won't forget

And you got the eyes to look for what you saw  
And when you don't win or lose, I guess you draw  
Well, I had to leave, I guess you had to stay

But don't come looking, baby  
'Cause if you look too hard I might just  
You know I might just look away

You may see me but you never know  
You never know, no, you never know  
You may see me in Ohio  
Ohio, in Ohio

'Cause you got the eyes to look for what you saw  
And when you don't win or lose I guess you draw  
And I had to leave, I guess you had to stay

Don't come looking, babe  
'Cause if you look too hard I might just look away  
Just look away

So don't come looking, babe  
Don't come looking, babe  
'Cause if you look too hard  
You'll find me in the wrong place

Oh, you got the eyes to look for what you saw  
And when you don't win or lose, I guess you draw  
But I had to leave, I guess you had to stay

But don't come looking, baby  
'Cause if you look too hard

No, don't come looking, baby  
'Cause if you look too hard I might just look away

You may see me, well, I ain't got a thing
