Twenty five dollars wasted on you
Got you out of trouble but youÃ¢â€Œ™ ll soon
Come by for another try

YouÃ¢â€Œ™ re a friend of mine and I know
Only crooked places you can go
Your eyes conveyed too many lies

YouÃ¢â€Œ™ d better run and hide
Too many girls have cried
Oh no, no, no
Why do I feel sorry?

YouÃ¢â€Œ™ d better run and hide
Too many dreams have died
Oh no, no, no
Why do I still worry?

You better run, you better run
You better run and hide

Twenty five dollars, I payed the bill
And they let you go but you are still not free
I guess you won't ever be

Captured in a mess, night and day
All the streets you walk, they lead astray
You deal with all the pain you feel, yeah

YouÃ¢â€Œ™ d better run and hide
Too many girls have cried
Oh no, no, no
Why do I feel sorry?

YouÃ¢â€Œ™ d better run and hide
Too many dreams have died
Oh no, no, no
Why do I still worry?

You better run, you better run
You better run and hide

Twenty five reasons to leave you
But I'm still feeling kinda blue inside
Watching our worlds collide

Baby, gotta see you as you are
Wipe the rest of yearning out of my heart
And try to say that last goodbye
Yeah, yeah, yeah

You'd better run and hide
Too many girls have cried
Oh no, no, no
Why do I feel sorry?

You'd better run and hide
Too many dreams have died
Oh no, no, no
Why do I still worry?

Oh no, no, no, no, no, no, no, no
I still worry
You better run and hide, hide
You better run and hide
You better run and hide
