She came to me in early April
She came like late spring
Does sometimes
My heart was taken so
Like December snow
Frozen in the chill of winter time

But now they've taken early April
December's comin' back again
I feel the frosty morn
Now my baby's gone
She just wouldn't leave it well alone

She said, "Kiss me deadly, don't be sweet
Kiss me deadly, knock me off my feet
Kiss me deadly, turn up the heat
Kiss me deadly, kiss me deadly
Kiss me deadly, kiss me deadly"

She wore dark glasses and a black rose
Was it perfume? I couldn't tell
She wouldn't hesitate
She would intoxicate
Any kind of man that came her way

She's not a girl you can hold on to
I got that feeling from the start
But I looked the other way
It's haunting me today
I just couldn't get enough of her

She said, "Kiss me deadly, don't be sweet
Kiss me deadly, knock me off my feet
Kiss me deadly, turn up the heat
Kiss me deadly, kiss me deadly
Kiss me deadly, kiss me deadly"

She left me then in late October
We didn't have too much to say
She had her mind made up
I guess that's my tough luck
Letting my fool heart get in the way

You know I'm kind of glad it's over
That kind of love can last so long
Don't feel too bad for me
Yes, I heard her plea
I kissed her deadly can't you see

That I kissed her deadly, off of her feet
I kissed her deadly, don't be sweet
I kissed her deadly, turned up the heat
Kiss me deadly, don't be sweet

Kiss me deadly, knocked her off her feet
Kiss me deadly, turned up the heat
Kiss me deadly, kiss me deadly
Kiss me deadly, kiss me deadly
