Someday, some way
I've got a place I wanna go
I don't know where
I don't know how

Someday, today
I wanna let you know
The time for us, baby is now

Leave your troubles
And all your cares behind
Lovers together
We'll fly on a dime

Someday, some way
I think you oughta know
We're just love partners in crime

Sailin' from star to star
Flyin' high up in the sky
Love is a moonlit night
Never ever kiss me goodbye

Here's what I say
I know a place we gotta go
Give me your heart
Maybe you'll find

Someday, some way
Baby, you gotta know
We're just love partners in crime

Sailin' from star to star
Flyin' high up in the sky
Love is a moonlit night
Never ever kiss me goodbye

Here's what I say
I know a place we gotta go
Give me your heart
Maybe you'll find

Someday, some way
Baby, you gotta know
We're just love partners
Only lover partners in crime
