When it's rainin' and times are hard
And there's too much junk in the backyard
You hope for a rainbow, be it lotto or keno
In the trailer park, that's the light in the dark

In all of the valleys under lucky stars
By the satellite dishes and the non-runnin' cars
I'm feelin' all the people dreamin'

Blue tiles are cool all around the pool
Greek columns are fine but give me a deal on the vine
Nothin' pretentious, I haven't changed
I've got sixty billion but I'm still the same

The pool is hot, the beer is cold
The cigar costs a lot and the wine is old
Where the car reps dream like Walter Mitty
Oh, book me a berth in Sammy Davis City, yeah

Now, Annie and Danny are growin' too fast
And I can't fix the hammock 'cause I'm feelin' half-
assed
Those basket ball hoops became chicken coops
There's a motel for sale, a cafe and a jail

In all of the valleys under lucky stars
By the satellite dishes and the non-runnin' cars
I'm feelin' all the people dreamin'

Blue tiles are cool all around the pool
Greek columns are fine but give me a deal on the vine
Nothin' pretentious, I haven't changed
I've got sixty billion but I'm still the same

The pool is hot, the beer is cold
The cigar costs a lot and the wine is old
Where the car reps dream like Walter Mitty
Oh, book me a berth in Sammy Davis City, yeah

I'm feelin' all the people dreamin'
Feelin' all the people dreamin'
Feelin' all the people dreamin'
