classified to defend the security of a deviant country
unproving answers to withhold and mislead us from
the truth never to be acknowledge the existence of an
alien species the knowledge that we seek has been
repressed by government cover-ups and religious
faculties and the lie they keep on believing their own
lies confirmation is shielded by a veil conspiracies
hidden is the contact of alien species their chariots of
fire have been mistaken for your gods religious
interpretation have failed to explain creation the
answer lies in the mysteries classified to defend the
security of the jason society of mj-12 their ability to
deceive will not penetrate my mind why is it classified
entangled a visible trace is left before us forged by our
elders naivety their self conceived narcicism now
leaves us drowning in agony we are left pleading down
on our knee's deeply
