Surging carnal confusion  
Mechanisms submerged [Incomprehensible]  
Within replicate multiply  
Charge blindly into planetary supremacy  
Expand, encroach, taste the pungent taint on your  
tongue

Hypnotized, desensitized  
Minimized, realize, recognize the mutation  
Infestation, devastation  
Of the world around us  
Its fragility is torn away from our insanity

It's torn away  
It's torn away  
It's torn away

Taste the pungent taint on your tongue  
The halitosis of human industry, taste it  
Taste the pungent taint as it goes off your tongue  
The halitosis of human industry, taste it

Hypnotized, desensitized  
Minimized, realize, recognize the mutation  
Infestation, devastation  
Of the world around us  
Its fragility is torn away from our insanity

It's torn away  
It's torn away  
It's torn away, away  
It's torn away, away, away  
It's torn away, torn away
