It goes all the way back to the war. I'm listening Charlie brought in heroin to finance the VC government. Shadow Company killed everybody, but we also formed a plan. A couple of years ago Shadow Company got together again the war was over but we still had a list of sources in Asia, C.I.A. used to hire mercs that used the same set up. C.I.A. soldiers, mercs, no one knows. My bank, it's a front, makes everything look good on the tax report. This is big business, I don't care, I'm gonna bring it down. You cant, its too big, these guys are trained killers
