With everything I've ever done
I'd give it all to everyone for one more day
Another night I'm waking through
Another door I walk into
I can't break

It's a winding road
It's a long way home

So don't wait for someone to tell you it's too late
Cuz these are the best days
There's always something tomorrow
So I say let's make the best of tonight
Here comes the rest of our lives

I count the steps the distance to
The time when it was me and you is so far gone
Another face another friend
Another place another end but I'll hang on

It's a winding road
It's a long way home

So don't wait for someone to tell you it's too late

Cuz these are the best days
There's always something tomorrow
So I say let's make the best of tonight
Yeah let's make the best of tonight
Here comes the rest of our lives

It's a winding road
It's a long way home

So don't wait for someone to tell you it's too late
Cuz these are the best days
There's always something tomorrow
So I say let's make the best of it
So don't wait cuz no-one can tell you it's too late
Cuz these are the best days
There's always something tomorrow
So I say let's make the best of tonight

Yeah let's make the best of tonight
We'll make the best of tonight
Here comes the rest of our lives
