i know this girl
and so do you
theres one in every crowd now
boo hoo

aw' shes the kind of girl that wears gucci panties
drives a brand new car
loves to go tanning
says shes got more money than she knows what to do
with
oh yea, well i'd like to see you prove it

-chorus-

i guess the stories are true
she only cares about
whats in my bank account
oh girl if you only knew
how much your missing out
how much your missing out
boo hoo
boo hoo

she doesn't party at all
not even prom night
she'd rather have a coke
than a cools light
always reminds you of the labels shes wearing
looks you up and down
has a problem with staring
i wish i could take you and sit you down
and take off your snotty little upperclass crown

-chorus-

i guess the stories are true
she only cares about whats in my bank account
oh girl if you only knew
how much your missing out
how much your missing out
boo hoo
boo hoo

you dont know how much your missing out

boo hoo (repeat 4 times)

boo hoo

boo hoo

boo hoo

boo hoo....
