You, you gotta be the one, who's in on the action  
I'm wondering when we're leaving  
And you, you gotta meet everyone before it's all over  
Why? They're gonna be here next weekend  
And you gotta be something else 'cause we all got  
older  
And you, you're gonna be someone

You make me wanna smoke a cigarette  
You make me wanna be someone else  
You make me wanna be somebody you would leave  
And I could forget

You gotta be the one to get a reaction  
I don't want anyone to see me  
And you gotta be something else 'cause we all got  
older  
And you, you're gonna be someone

You make me wanna smoke a cigarette  
You make me wanna be someone else  
You make me wanna be somebody you would leave  
And I could forget

You make me wanna smoke a cigarette  
You make me wanna be someone else  
You make me wanna be somebody you would leave  
And I could forget

I'll stay you go  
I'm fine with or without you  
And I'll stay you go  
I'm fine with or without you

And I'll stay you go  
I'm fine with or without you  
And I'll stay you go  
I'm fine with or without you

You make me wanna smoke a cigarette  
You make me wanna be someone else  
You make me wanna be somebody you would leave

And I could forget

You make me wanna smoke a cigarette

You make me wanna be someone else

You make me wanna be somebody you would leave

And I could forget

A cigarette, a cigarette, a cigarette, a cigarette

A cigarette, a cigarette, a cigarette
