So im down here like you wanted, why am i not
sleeping in your bed?
Its 3 o'clock in the morning, are u all over me again?
you're the one i cant figure out, but the one i cant forget
you got me worked up and locked out
I gotta stop messing with you, messing with my head.

Jessica
I can't solve this equation and its tearing me apart
Jessica
this games not worth playing, if you dont finish what
you...

starting over without you, you'd be the first thing in my
past
you sleep alone, i wont call you one the phone, but we
know that wont last

Jessica
I can't solve this equation and its tearing me apart
Jessica
this games not worth playing, if you dont finish what
you start

it's the hardest thing to let you go, but im leaving
tonight

it was good for me was it good for you?
goodbyeeee

Jessica
I can't solve this equation and its tearing me apart
Jessica
this games not worth playing, if you dont finish what
you start

Jessica
I can't solve this equation and its tearing us apart no,

Jessica
we can still make it, if you just finish what you start
