Hey, went to shower
And I fainted on the floor
I was free swimmin' in light
You were so scared
You washed my head
In bright red water
You really thought
I was dead

I know why you make me so scared
You're all I can see
You speak and my hearin's impaired
You're all over me

Laid in your bed
You held my head for a while
Said goodnight and blew away

I know why you make me so scared
You're all I can see
You speak and my hearin's impaired
You're all over me
