"Girl Done Gone"

My girl done gone now
My girl done gone oh yeah
My girl done gone now
My girl done gone oh yeah

I really need you
Need you to lead me through
I want to know you
Know you would be so true
Oh lord what have I done
Oh lord what have I done
Oh lord

Gonna let you win girl
Gonna let you win oh yeah
Gonna let you win girl
Gonna let you win oh yeah

I know you'll leave me
You'll leave me high and dry
You're gonna deceive me
You're gonna to see me cry
Oh lord what have I done
Oh lord what have I done
Oh lord
