I wish the music would play by itself
Shredded fingers, no ideas
I wish this rainy day could be the last
Could the world end, what a godsend

I wish I could stop wishing you were here
But I don't want to 'cos I still want you
I wish I didn't feel so flippin' mad
Don't wanna scare you, just wanna love you

I wish my life could last a thousand years
Then I'd be clever and build a heaven

I wish I could bring Nick Drake back to life
He'd understand, hold my hand

I wish a constant stream of happy shit
Live forever in world of leather
I wish the rain would just leave me alone
I can't wear that stupid rain hat

I wish I was in California
Pernod perfume in the Danube
I wish the thing of love meant just one thing
Cinderella, Salmonella
