Analyze myself away
Am I ready to forgive?
If you wanted me back today
Could I really cope with it?

Life, it sucks, sucks, sucks so much
The slowest way to die
Life, it sucks, sucks, sucks so much
The slowest way to die

When we talk about the past
I always have to hold my tongue
I blew my first chance and my last
But still I don't feel like we've begun

Life, it sucks, sucks, sucks so much
The slowest way to die
Life, it sucks, sucks, sucks so much

The slowest way to die

It's painful sittin' on my hands
When I wanna touch your hair
You know I worship every strand
This hopelessness just don't feel fair

Life, it sucks, sucks, sucks so much
The slowest way to die
Life, it sucks, sucks, sucks so much
The slowest way to die

Life, it sucks, sucks, sucks so much
The slowest way to die
Life, it sucks, sucks, sucks so much
The slowest way to die
