What'll we see when it all blows out?
Seven naked valleys for me
What'll it be when it's all washed out?
Seven naked valleys, making you doolally and weak

How's it gonna be when we're all wiped out?
Seven naked valleys for me
What'll it be when it's all washed out
Seven naked valleys, making you doolally and weak

My love's for keeps, it's hot and wild and cheap
My submarine in seven naked valleys, seven naked
valleys and me

How's it gonna be when we're all wiped out?
Seven naked valleys for me
What'll it be when it's all washed out?
Seven naked valleys, making you doolally and weak

My love's the sea, it's hot and wild and cheap
My submarine in seven naked valleys, seven naked
valleys and me

What do you say, get it all worked out
Seven naked valleys for me
What'll it be when it's all washed out?
Seven naked valleys, making you doolally and weak

My love's for keeps, it's hot and wild and cheap
My submarine in seven naked valleys, seven naked
valleys and me
