Saw you on the corner by the cash machine  
You made the cutest couple that I ever did see  
You hug him and you kiss him and I'm hearing what  
you're saying  
Britannia Junction's not the place for me  
Britannia Junction's not the place for me

What's he got that I haven't got?  
Where's he been that I've never seen?  
Can't bear to see you walking hand in hand  
He's kinda cool but I don't understand  
What in the world has he got?  
Guess he's just better looking than me, oh...

Got a brown leather jacket on and tight blue jeans  
Wears a pair of black Beatle boots just like me  
He's got a lot of hair on his face and on his head  
So why'd I get my hair cut so short instead?  
So why'd I get my hair cut so short instead?

What's he got that I haven't got?  
Where's he been that I've never seen?  
Can't stand to see you walking hand in hand  
He's kinda cute but I don't understand  
What in the world has he got?  
Guess he's just better looking than me, oh...

Yeah!

What's he got that I haven't got?  
Where's he been that I've never seen?  
Can't bear to see you walking hand in hand  
He's kinda cool but I don't understand  
What in the world has he got?  
Guess he's just better looking than me, oh...

What's he got that I haven't got?  
Where's he been that I've never seen?  
Can't stand to see you walking hand in hand  
He's really cool but I don't understand  
What in the world has he got?  
Guess he's just better looking than me
