When I walk through suffering  
Let it be there offering  
Like a fragrance rising

In the valley of shadow  
Not to waste my sorrows  
But to trust and follow

Until the day  
When You wipe away every tear  
You will hold me, carry me

Until the day  
When You take away every fear  
No more suffering, who can imagine

So I'll trade my sorrows  
For the joy of knowing You  
Sharing Your [Incomprehensible]

With Your comfort comforting  
Bringing hope for the hope You'll bring  
My whole life and offering

Until the day  
When You wipe away every tear  
You will hold me, carry me

Until the day  
When You take away every last fear  
Who can imagine, who can imagine  
Who can imagine, who can imagine the day

Who can imagine, who can imagine  
No more suffering, no more crying  
No more afraid, who can imagine the day
