So your brother's bound and gagged and they've
chained him to a chair
Won't you please come to Chicago just to sing
In a land that's known as freedom how can such a thing
be fair
Won't you please come to Chicago for the help that we
can bring

We can change the world
Rearrange the world
It's dying
To get better

Politicians sit yourselves down there's nothing for you
here
Won't you please come to Chicago for a ride
Don't ask Jack to help you 'cause he'll turn the other ear
Won't you please come to Chicago or else join the other
side

(We can change the world)
Yes we can change the world
(Rearrange the world)
Rearrange the world

(It's dying)
If you believe in justice

(It's dying)
If you believe in freedom
(It's dying)
Let a man live his own life
(It's dying)
Rules and regulations who needs them
Open up the door

Somehow people must be free I hope the day comes
soon
Won't you please come to Chicago show your face
From the bottom of the ocean to the mountains of the
moon
Won't you please come to Chicago no one else can take

your place

(We can change the world)
Yes we can change the world
(Rearrange the world)
Rearrange the world

(It's dying)
If you believe in justice
(It's dying)
If you believe in freedom
(It's dying)
Let a man live his own life
(It's dying)
Rules and regulations who needs them
Open up the door
