Earth & Sky (3:34)

Words & music by Graham Nash

Late last night, did I dream?
Over the hill and far away,
They wanted to live in pleasure.
They wanted to live above
The plains, holier than thou,
Banking on a cloud, never
Coming down to earth and sky.
Did I dream, so late at night?
I saw dinosaurs and sabre tooth
Gambling with the treasure.
Nobody home to tell the truth.

Holier than thou, banking on
A cloud, never coming down
To earth and sky. Down to earth
And sky. I awake. I awake
I think I'm safe in my room.
All my fading dreams just
Take a bow, they're bending before
The future, holier than thou.
Banking on a cloud, never
Coming down to earth and sky.
Earth and sky. Earth and sky.
Earth and sky.
