It's All Right (3:12)

Words & music by Graham Nash

When I see you beside me,
Smiling at me, I feel warm deep
Inside me, 'cause I think I
Love you. When I feel you
Surrounding me, making me
Strong, I've got warm glow
Around me, Because I think
I love you, and it's all right, all
Right. Needless to say,
I feel all right, all right. I'll be here
When you awake. Looking
Down the roadway, tell you
What I see, lots of lonely
Heartaches, lots of feeling blue.
Looking up the roadway,
Tell you what I see. I see you.
So it's all right, all right.
Needless to say,

I feel all right, all right. I'll be here
When you awake.
Looking down the roadway, tell you
What I see, there's lots of lonely
Heartaches, lots of feeling blue.
Looking up the roadway,
Tell you what I see. I see you, you, you.
'Cause when I see you beside me,
Smiling at me, I feel warm deep
Inside me, 'cause I think I
Love you. Yes I do.
And it's all right, all right,
Needless to say. I feel all right.
I'll be here when you awake.
And it's all right, all right,
Needless to say. I feel all right.
I'll be here when you awake.
