Newday (3:19)

Words & music by Craig Doerge & Graham Nash

Â©1986 Fairstar Music/Putzy-Putzy Music

Where was I yesterday?  
Have I been there once before.  
And who was I yesterday?  
Don't wanna be him no more.

It's a newday (whoa, whoa, etc.)  
It's a newday.

Where will I be tomorrow?

I hope I've never been there.  
And who will I be tomorrow?  
I really hope I'm still here.

It's a newday  
It's a newday  
It's a newday  
It's a newday

I'm gonna look for the light.  
You're all I need to make it right.  
I'm gonna look for the light. (whoa, whoa, etc.)
