You who are on the road
must have a code that you can live by
and so become yourself
because the past is just a goodbye
Teach your children well
their father's hell
will slowly go by
and feed them on your dreams
the one they picks
the one you'll know by.
Don't you ever ask them why
if they told you, you would cry
so just look at them and sigh
and know they love you.
And you, of tender years
can't know the fears
that your elders grew by
and so please help them with your youth

they seek the truth
before they can die.
(Can you hear and do you care
and can't you see we must be free
to teach our children what you believe in
make a world that we can believe in)
Teach your parents well
their children's hell
will slowly go by
and feed them on your dreams
the one they picks
the one you'll know by.
Don't you ever ask them why
if they told you, you would cry
so just look at them and sigh
and know they love you.
