You'll never be the same  
Without me by your side  
There's no one I can blame  
About my foolish pride.  
As long as lifes' a grain of sand  
Tossing and turning in the tide,  
I'll say it once again,  
You'll never be the same.

You'll never be the same  
Without me in your eyes  
I know you feel a pain  
But you don't know how it lies.  
I think of you from time to time  
Hoping I'm further down the line  
I'll say it once again  
You'll never be the same.  
I had no one to walk with  
In the rain 'til you came near  
I had no one to talk with  
'bout this pain I feel in here.

You'll never be the same  
Without me by your side  
There's no one I can blame  
About my foolish pride.  
As long as lifes' a grain of sand  
Tossing and turning in the tide,  
I'll say it once again,  
You'll never be the same.
