(intro)

Get your drink knocked over

You're thinking that it might be planned

But it's just some fool in the crowd tonight

What's the name written on his hand

I won't give away anything more than the ink from my pen

You ought to know when you look at me

Love is something you can't offend

Chorus

Bridge a e repeats then f#m e then f#m a e twice c#m

I said fear not I said fear not

I can't stand to leave you to the lions of the world

Yeah I know that it seems like we're in a cage but we ain't the animals

I won't let them touch you not a hair that's on your head

They can rip out bits of me that should keep them fed

Chorus

It's going to end

Repeats (intro chords) and fades /pre>
